

HONEYCOMB CONGAS

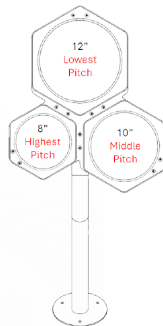

Add a vibrant beat to any play space with the Honeycomb Congas! A set of three elevated drums, each tuned to a distinct tone (low, mid, high). With a whimsical honeycomb design and baritone range, these hands-on drums invite creative, percussive play for all ages.

Crafted from durable, weather-resistant materials and featuring mesh-guarded sound holes, they deliver clear, resonated sound without attracting unwanted critters. Perfectly pairs with nature-themed favorites like the Harmony Hive and Melody Bee.
